

The Definitive Bunker Hill Address

Much more than a commercial address, City National 2CAL represents the future of Downtown LA.

Soaring 52-stories above Bunker Hill, the elegant office tower opens to unmatched trophy views from expansive floorplates, unrivaled amenities and absolute convenience. At its base, the campus environment and multi-level retail and entertainment plaza provide your workforce with access to fresh air, as well as shopping, dining, transport and world-class cultural destinations - all within walking distance.

Smart design. Superior location. Your future looks bright at City National 2CAL.

Ownership Matters

Since 1994, CIM has led more than **\$60 billion** of projects in metropolitan communities across the Americas.

CIM's broad in-house expertise includes decades of research, acquisitions, credit analysis, development, leasing and property management. Our experience with real assets located in densely populated communities, infrastructure, net-lease assets and other associated credit strategies share an investment principle of helping strengthen local economies.

What sets us apart?

We believe the answer is trifold: our team's extensive in-house expertise, our commitment to enhancing communities and our disciplined approach.

Team

Our vertically-integrated team's expertise ranges from research and acquisition to development, leasing and property management across all types of real estate and infrastructure.

Community

We support and enhance communities through real estate and infrastructure projects that provide employment, goods and services to help communities thrive long-term.

Discipline

We employ a disciplined approach to each project, emphasizing prudent research, underwriting and leverage as we strive to work in the best interests of our stakeholders.
